Manufacturer's Certification Statement

FOR THE AMERICAN REINVESTMENT & RECOVERY ACT OF 2009

International Cellulose Corporation verifies that the Celbar Insulation listed below:

1. Are insulation materials that are specifically and primarily designed to reduce heat loss or gain of a dwelling unit
2. May be taken into account in determining whether the building envelope requirements established by the IECC are satisfied; and
3. Are "Eligible Building Envelope Components" which qualify for a federal tax credit for existing homes under section 25C of the Energy Policy Act of 2005 and The American Recovery and Reinvestment Act of 2009
